I. Religious Myth or History and Facts?

----- Is it...

- Religious myth and ancient Israeli cosmology? Or,
- Real people, events, in real time and places?

II. The Attitude Towards and the Use of Genesis 1-11 in the New Testament.

- A. Historical Truth.
- B. Authoritative Basis for Teaching.
- C. Review of Genesis 1-11 references in NT, and how it was used.
 1. Matt. 19:1-6 / Mark 10:7-8
 2. 1 Cor. 6:16
 3. Eph. 5:25-32
 4. 2 Cor. 11:3
 5. 1 Tim. 2:14
 6. Matt:24:36-39
 7. Luke 17:26-33
 8. Rom. 5:12-14

Conclusion:

If Genesis 1-11 is only myth and not historical truth, then what does that say about Jesus, the Lord and Savior, and Paul, the great teacher of the theology of the church?
